RE: Application of Palmetto Utilities, Inc. for adjustment of rates and charges for, and modification to certain terms and conditions related to, the provision of sewer service. Docket No. 2011-24-S

Dear Ms. Boyd:

As you are aware, the Applicant's rebuttal testimony in the above-referenced docket is due to be pre-filed and served next Wednesday, July 6, 2011. I respectfully request that an extension of one (1) week be granted for the Applicant to pre-file its rebuttal testimony. If this extension is granted, ORS would of course be entitled to a similar extension for its surrebuttal testimony, which is currently due on July 13, 2011.

The reasons for the request are two-fold. First, the Applicant would like additional time to consult with ORS to ascertain if this matter might be capable of being submitted to the Commission as a settlement in accordance with its policy governing same. Second, in view of the Independence Day holiday, it would be helpful to the undersigned to have additional time to prepare rebuttal testimony should it be necessary.

I have not been able to consult with counsel for ORS on this matter prior to submitting this request. However, I will continue to do so in an effort to apprise the Commission of its position in the matter.

Because the Commission is not scheduled to meet next week, I would appreciate your placing this matter on a supplemental agenda for the Commission meeting tomorrow.

The Honorable Jocelyn D. Boyd
